## **NFCAR's First Ever 'Joe Baker Humanitarian Award'**

Bonnie Lees, a REALTOR® with Best Realty in Danbury, CT received the first “Joe Baker Humanitarian Award” at the Northern Fairfield County Association of REALTORS® Holiday Luncheon. This award is given in memory of Joe Baker, a local REALTOR®, who tragically lost his life this year while transporting a patient on an Angel Flight.

“Joe was a true Humanitarian and we wanted to remember him in a special way by recognizing other members of our Association who are quietly giving back to the community. Bonnie, like Joe, has worked tirelessly for several years for many organizations, including Dorothy Day Hospitality House, The New Fairfield Animal Shelter and Ann’s Place” said Betsy Pankulis, 2008 President of NFCAR. Bonnie can be reached at Best Realty in Danbury,(203) 744-5775 or email housesold1@aol.com
